

## Lubecore Technical Announcement

### HP-400 General Manual

Lubecore is excited to announce the introduction of the HP-400 General Manual. The manual provides valuable information regarding the HP-400 system, safety precautions, installation, trouble shooting, and various available options. The manual and promotional material are available on the Lubecore Portal. Training videos for hydraulic line selection, pump installation, system testing, and dealer information are also available using the links or QR codes below.
