Lubecore Communication

Subject: Lubecore Notepads

We are pleased to announce the addition of a new promotional item that we would like to make available to you as well. Please see the picture below of our Lubecore blank notepads. The notepads are 3" wide and 5" long. They have 25 pages.

We would like to share these items with you and get your feedback on them. We will include 10 of these in your next order with us. When you get them, please use them and give us your feedback on them. We are open to suggestions and comments. Please forward all suggestions and comments to my attention and put Lubecore Notepads in the subject line.

Regards,

Wesley Prinzen
