

## **Lubecore Communication**

**Subject: New Spyder pump marketing materials**

**Date: July 29, 2013**

Lubecore International Inc. has recently announced the availability of the new and improved Multiline Spyder pump. We would like to provide you with the new brochures that have been prepared to enhance your marketing efforts. You will find attached to this email the following items;

Lubecore_BR_003_REV15.pdf	New Spyder Brochure
Lubecore_FB_002_Rev06.pdf	New Spyder Features & Benefits

We are also currently working on a Spyder General Manual which is currently going through some final revisions. Once it has been completed, we will distribute this manual to you electronically as well.

A Powerpoint Presentation has also been prepared if you need to speak to a group and need a visual aid. Please contact me directly at extension 22 or by email if you need a copy of this presentation.

Regards,
